- Project Scheduling, Planning and Monitoring.
- Design of Residential building, Infrastructure Development and Project Management.
- Controlled demolishing / dismantling of all type of structures.

# PROJECT AT A GLANCE

Completed access permission for around 1800 plus projects around india.

A to Z consultancy service for Retail Outlet (RO) and around 50 RO have been energised so far in Kerala.

Accomplished the Structure Valuation Works in an around 25000 structures in the district of Thrissur, Ernakulam and Kollam in a single order, for widening of National Highway NH-66 (old NH 17). This was a appreciable work in the history of NHA which was within the contract period.

Planning and execution for KSPPL -NH 966A, AG &P (Edappally - Aroor, Aroor-Thuravoor), OFC – (Reliance , Airtel, Aircel), IOAGPL (Palakkad – Kozhikode stretch).

We have about 70 ongoing projects in various sectors-gas pipeline and optical fibre, access permission for NH and PWD Kerala.

Completed road projects costing more than Rs. 30 crores across kerala.

Detailed Project Report / Feasibility study with Preliminary design of all types of engineering projects.

Road asset management services and pavement condition assessment.

Controlled demolishing of structures 20,000+ Sq.ft.

## MARKETING

Samara provide A to Z services for setting up any business entity or industry in any sector. Apart from the marketing activities of aqua regia, Samara is in marketing of other innovative products including decentralized solid waste management system like Organic Waste Converter, Bio Gas Plant, 24 Hrs Bio Composter etc.,

## FEASIBILITY STUDY

In the stage of feasibility study, we always strive to gratify the client's needs by analyzing all the strength and deficits associated with a project before it is planned or budgeted. We scrutinize a projects relevant factors including the economical, technical, legal and scheduling considerations to ascertain the likelihood of the successful completion of a project before entering blindly into a risky business and to find whether the final product will benefit its intended users . We are involved in the preparation of feasibility studies for various industries and new Petroleum /DieselCNG outlets.

### Our sisters concern Company

#### M-WAY Consultants & Developers Pvt. Ltd

M-Way Consultants and Developers Pvt. Ltd started in the year 2009, is a younger member of Doctor M-Group Companies. Doctor M Group was started in the year 1988 by Dr. P.V Majeed is an Educationalist, Consultant, Industrialist and a Planter.

**Er. Rathibha Premjith**  
Associate Consultant-Tech

"B.Tech Graduate having an experience of 25 years in Tendering, design, supervision and quality control of highway road and bridges construction, Also a part of various National Highway Projects."

**Mr. Robin Jacob**  
Sr. Finance Manager

"He has gained 8 years of experience in multi-disciplinary fields with different hierarchies in government, quasi and private sectors in India and abroad. He completed his MBA in HR and Finance and M.Com. In addition to that, he has completed his Post Graduate Diploma in Financial Accounting."

**Er. Sharook K M**  
Sr. Projects Manager-Tech

"B.Tech Graduate with 6 years of experience in architectural structure construction, designing, structure valuation & Expertise in aerial survey and geo mapping."

**Er. Ajmal Basheer**  
Sr. Project Manager-Tech

"Bachelor of Engineering Graduate with 8 years of experience in civil engineering works. His area of expertise includes designing of hazardous structures and road alignments."

**Mrs. Dhanya A.A**  
Finance Manager

"Post Graduate in Business Administration with an experience of 4 years in Finance and Accounting."

**Mrs. Sruthi Babu**  
Manager (HR & Admin)

"B.com Graduate with 7 years of experience in HR, Administration and Project Management as a Senior Level Executive in various MNC's."

## BRANCH HEADS

**Mr. Irshad R**  
Sr. Manager Admin (Kollam)

"10 years of experience in Business developing & Coordinated various engineering projects."

**Mr. Lal Krishnan S**  
Manager Admin (Calicut)

"Administrator with 4 years experience in project management. Expertise in finance & technical support for various projects."

**Mr. Suresh Kumar**  
Office Administrator

"Expertise in client coordination & lisioning works."

## PROJECT TEAM

**Er. Athira Babu**  
Asst. Project Engineer

"M.Tech Post Graduate in Computer Aided Structural Engineering with expertise in designing , planning and execution."

**Er. Agin Rose**  
Dy. Manger Tech

"B.Tech Graduate in Civil Engineering with QA, QC, QS and Expertised in special structure works related

**Er. Krishnakumar P M**  
Project manager

"B.Tech Graduate in Civil Engineering with PG Diploma in Construction Management and 3 years Experience."

**Er. Abdul Latheef A**  
Dy. Manager Tech

"B.Tech graduate in Civil engineering with QA, QC, QS and Expertised in taking NOC related works."

**Er. Najma Salih**  
Engineer

"B.Tech graduate in Civil engineering proficient in designing of CAD Drawings and 2 years of experience in designing & documentation of various projects."

**Er. Basil Joseph**  
Business Support Engineer

"B.Tech graduate in Civil engineering proficient in designing of CAD Drawings and 3 years of experience in designing & documentation of various projects."

**Er. Faseel N P**  
**Business Support Engineer**  
 “B.Tech graduate in Civil engineering proficient in designing of CAD Drawings and 4 years of experience in designing & site management.”

**Er. Aswanth Kartha**  
**Engineer-Projects**  
 “ B.Tech Graduate in Civil Engineering with expertised in Structural Valuation & he has 3 years of experience.”

**Er. Sharika .B**  
**Business Support Engineer**  
 “B.Tech graduate in Civil engineering proficient in designing of CAD Drawings and 2 years of experience in designing drawings.”

**Er. Ashik .P.S**  
**Engineer**  
 “B.Tech graduate in Civil engineering and 4 years of experience in designing & Site management.”

**Er. Jijo P George**  
**Engineer**  
 “M.Tech Post Graduate in Structural Engineering with expert in road project & high raised building.”

**Er. Ammu .C.S**  
**Engineer**  
 “B.Tech graduate in Civil engineering proficient in designing of CAD Drawings and 2 years of experience in designing & Structure valuation.”

**Er. Aishwariya Manoj**  
**Engineer**  
 “M.Tech Post Graduate in Structural and Construction Engineering .”

**Er. Minu Varghese**  
**Sr.Engineer**  
 “M.Tech Post Graduate in with Master of Technology in Structural Engineering and Construction Management. She has 4 years of experience in Shipyard projects & Various Road projects.”

## RESOURCES Machinery & Equipments

- Equipments for survey (Buildings and Land)
- Equipments for Aerial Videography, Ortho imaging and Mapping
- Machineries for Soil Testing
- Softwares-Road Estimator, STAAD. Pro, Auto CAD
- Civil Construction equipments
- HDD Machines
- Vehicles & Small tools
- GPR, GPS, Survey equipments.
- Crawler excavator (2 No.s)
- Hydraulic excavator (3 No.s)
- Track paver (2 No.s)
- Asphalt compactor (2 No.s)
- Concrete Mixer (2 No.s)
- Asphalt Mixing Plant Drum Mix (1 No.)
- Asphalt Mixing Plant Batch Mix (1 No.)
- Grader (2 No.s)
- JCB 3Dx Backhoe Loader (3 No.s)
- Dost (4 No.s)
- Bharath Benz Trailer (1 No.)
- Carrier vehicles (3 No.s)
- Bharath Benz 10 Wheel (10 No.s)
- Puller with trailer, Grader.
- Bharath Benz 12 Wheel (10 No.s)
- Volvo Roller Compactor (2 No.s)
- 5000 sq ft area fully furnished and equipped, available across Kerala enough to accommodate manpower depending on project requirement.

## OFC Work Collaborations
